

In Your Eyes:

Community Approaches to Research in Mental Health and Addictions

Keynote Speaker:

Dr. Bonnie Duran
 Director, Centre for Indigenous Health Research
 University of Washington

Dr. Duran is an Associate Professor in the Department of Health Services at the University of Washington's School of Public Health and Community Medicine. The overall aims of her research are to work with communities to design treatment and prevention efforts that are empowering, culture-centered, assessable and sustainable.

Community Based Research (CBR) is gaining recognition as an important tool to address health problems. This Colloquium will focus on innovations in community engagement and community-based research, featuring leading experts from BC and beyond.

The Colloquium will also feature presentations by:

- Professor Peter Beresford** (Brunel University, London, UK)
 ▪ Survivor research in mental health: Sharing the learning
- Dr. Chris Lalonde** (UVic) ▪ Culture, self-determination and Aboriginal youth health
- Dr. Erin Michalak** (UBC) ▪ Tackling stigma in bipolar disorder: A collaboration for change
- Ms. Hajera Rostam** (UBC) ▪ Addressing the unique needs of immigrants and refugees
- Dr. Amy Salmon** (BC Women's Hospital) ▪ Primary health care experiences of women who use drugs in Vancouver's Downtown Eastside
